

“City of Smile” Charitable Foundation

ONLY TOGETHER WE CAN SAVE LIVES

ANNUAL REPORT

(01.01.2021-31.12.2021)

change someone's life

- ♥ ***We believe that cancer is not a verdict, and even a small contribution can be vital.***
- ♥ ***We believe that no one should be left alone with his / her problem.***
- ♥ ***We believe that treatment should be available to everyone.***
- ♥ ***We believe that the lack of money should not be a reason for the child to be deprived of the right to receive treatment.***
- ♥ ***We believe that cancer is not contagious, love is.***

city of smile
change someone's life

City of Smile Foundation

OUR MISSION

City of Smile Charitable Foundation was established in 2014. The founders are a group of hematologists and oncologists. The mission of the Foundation is to stand by children and young adults, through the age of 25, with cancer and blood diseases, and help them and their families in their challenging journey of conquering cancer. On our way to fulfilling the mission of Foundation, we strive to do our best for the continued development of oncology and hematology in Armenia. The Foundation also supports doctors and medical institutions so that they can provide high quality diagnosis and effective treatment for their patients.

City of Smile Foundation

HOW TO BECOME A BENEFICIARY

A beneficiary of City of Smile Charitable Foundation can be all children and young adults, through the age of 25, with cancer or blood diseases, living in Armenia, Artsakh, Javakhk, and being treated in Armenia.

STEP 1. Upon learning about the disease and receiving the diagnosis, the patient or the patient's family visits the Foundation and submits a written application.

STEP 2. The application and the necessary medical documents are sent to the group of experts of the Foundation.

STEP 3. After receiving the approval from the experts, the patient becomes a beneficiary of the Foundation, after which the Foundation covers the costs related to the beneficiary's treatment in Armenia.

City of Smile Foundation

BENEFICIARIES OF THE FOUNDATION

-  **103** new beneficiaries in 2021
-  **58** beneficiaries completed the treatment in 2021
-  **222** beneficiaries received support in 2021
-  **467** beneficiaries registered (as of December 31, 2021)

City of Smile Foundation

FOUNDATION DONATIONS IN NUMBERS

1516 donors

(individual and corporate)

donated for the health of children with cancer and blood disorders in 2021.

No donation is too small, every donation matters and can save a life.

14,000,000 AMD provided to implement medical examinations.

740,000 AMD provided for surgical interventions.

City of Smile Foundation

RESEARCH AND CAPACITY BUILDING PROGRAMS IN 2021

50,406,113 AMD

provided for research, capacity building and medical staff training programs

-  **Program for the development and implementation of standardized pediatric oncology guidelines** from diagnosis to treatment and follow-up.
-  The first **allogeneic bone marrow transplantation** was performed at the Hematology Center with the co-financing of the Foundation.
-  Organizing and conducting capacity building **trainings** for physicians and medical staff.
-  **Establishment of the Institute of Cancer and Crisis**, the mission of which is to study and mitigate the impact of the crisis on cancer patients and cancer care during and after the crisis through appropriate research and awareness.

City of Smile Foundation

PSYCHOLOGICAL SUPPORT IN 2021

6,251,011 AMD

to provide psychological support to beneficiaries and their families

147 families

received psychological support

Prioritizing the mental health of patients and their families and the fact that both the patient and the parents go through a tough and psychologically difficult path of treatment and overcoming cancer, the Foundation provides psychological support to all patients and their families.

City of Smile Foundation

4-TIME / DAY MEALS TO ALL PATIENTS IN 2021

18,615,000 AMD

for providing meals to the beneficiaries during inpatient treatment

***7446 daily food packages
were provided to the beneficiaries***

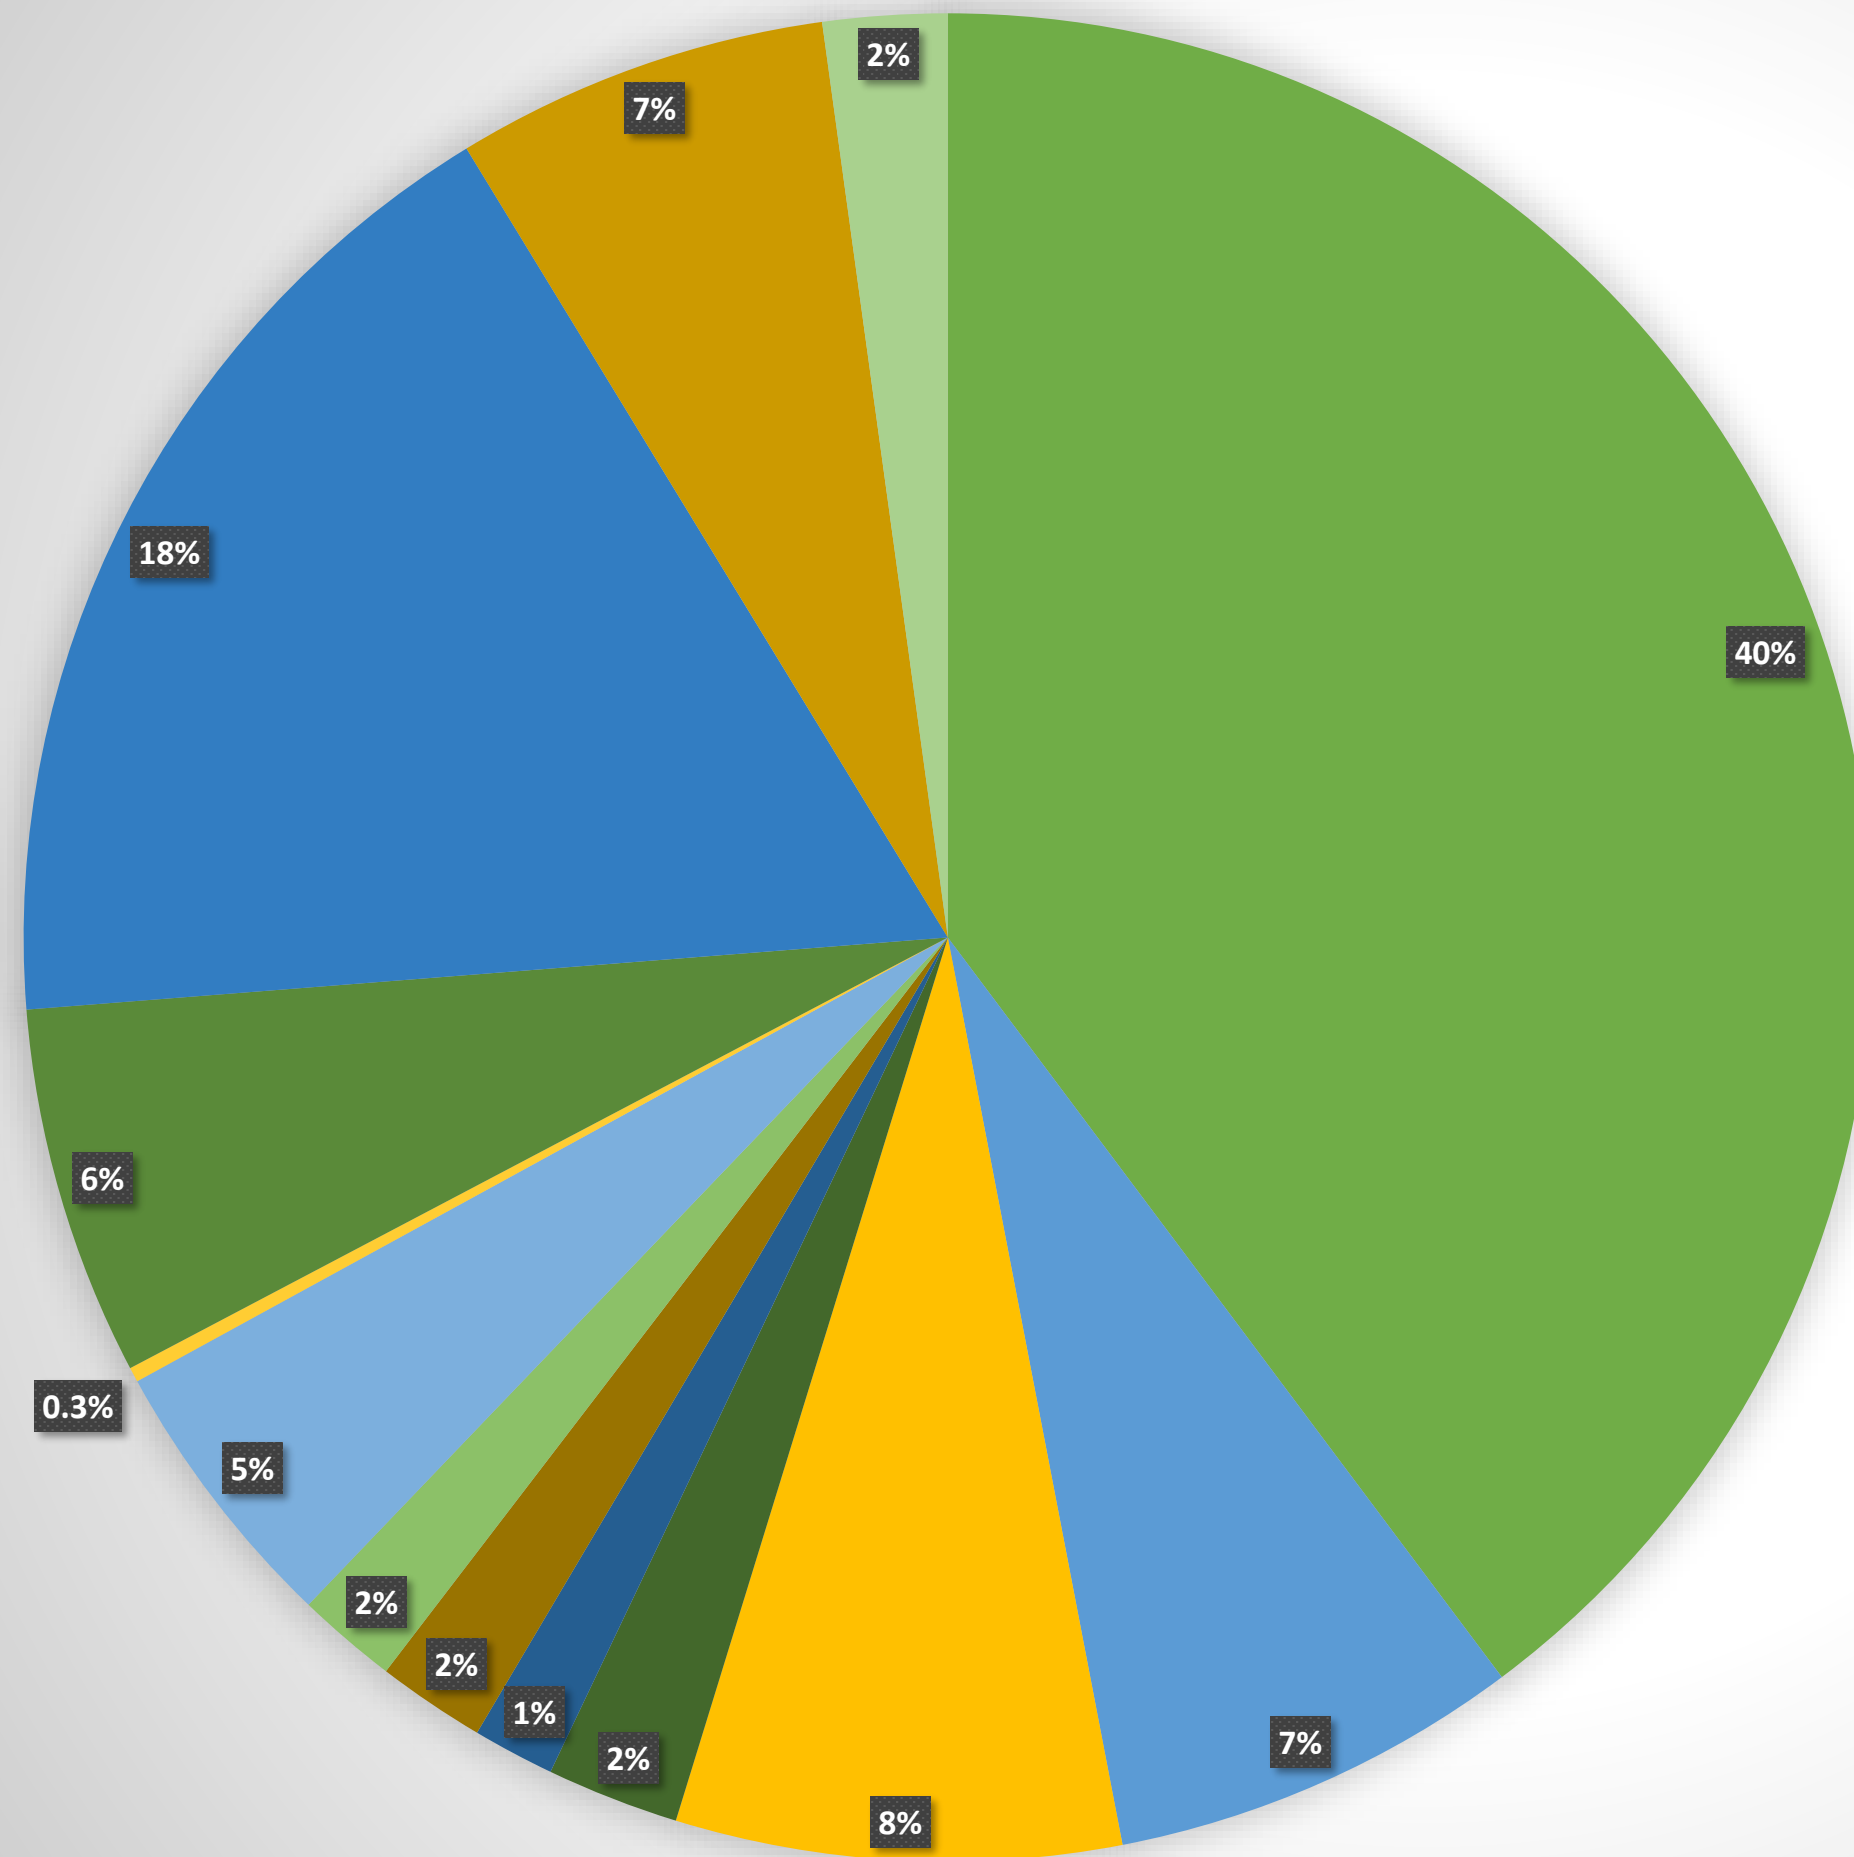

In order for patients to receive vitamin-rich and balanced food during chemotherapy, the Foundation provides 4-time / day meals to all children during their hospital stay. This is a very important program so that children do not get weak and are more resilient during the treatment. This program is implemented jointly with partner organizations.

City of Smile Foundation

Treatment Expenses in 2021 (in AMD)

- Expensive and Complicated Chemotherapeutic Medication, 40%
- Symptomatic Medication, 7%
- Platelet Concentrate, 8%
- Endoprosthesis, 2%
- Radiation Therapy, 1%
- Provision of Central Venous Access, 2%
- Intravenous Short-term Anesthesia, 2%
- Medical Examinations, 5%
- Surgical Interventions, 0.3%
- Daily Meals, 6%

- Free Medical Services by the Foundation's Partners, 7%
- Psychological Support, 2%

City of Smile Foundation

PEDIATRIC PALLIATIVE CARE CLINIC

127,000,000 AMD

provided for the establishment of the Pediatric Palliative Care Clinic

By the initiative and funding of City of Smile Foundation and with the advisory support of US-based St. Jude Children's Research Hospital, the first Pediatric Palliative Care Clinic of Armenia was opened on September 28, 2021, at the Hematology Center after Prof. R. Yeolyan.

The mission of the pediatric palliative care is to provide physical, sensory and spiritual care to children whose diseases do not respond to treatment, in order to improve the quality of life of patients and their families as much as possible.

The Clinic has 5 patient rooms, a playroom and a kitchen. There are also specially adapted bathrooms in all patient rooms.

City of Smile Foundation

ALLOGENEIC BONE MARROW TRANSPLANTATION

In July 2021, the first Allogeneic hematopoietic stem cell (bone marrow) transplantation has been performed at the Hematology center after prof. R. H. Yeolyan, with the financial support of City of Smile ChF, the Ministry of Health of the Republic of Armenia and Cure2Children Foundation.

The first allogeneic transplantation was performed through the efforts of the renowned Italian specialist Dr. Lawrence Faulkner, M.D., and the Armenian Bone Marrow Transplant Team (ArmBMT). The program is continuous and will be implemented in 2022 as well.

The introduction of the allogeneic transplant program in Armenia is unprecedented and opens great opportunities for the treatment of children and adult patients with malignant blood diseases.

City of Smile Foundation

ORGANIZED EVENTS

*35 different events
were held during one year*

City of Smile Foundation

ORGANIZED EVENTS

On June 4, 2021, City of Smile Charitable Foundation initiated and organized a charity concert of the Honored Collective "Barekamutyun" Ensemble at the National Academic Theater of Opera and Ballet after Al. Spendiaryan.

On September 7, 2021, by the initiative of City of Smile Charitable Foundation, the "Armenian Rock for Children with Cancer" charity concert with the participation of "The Beautified Project", "Nemra", "Lav Eli" rock bands was organized in Aram Khachaturian Concert Hall.

All proceeds from the concerts were donated to the Foundation to cover the treatment costs of children and young adults through the age of 25 with cancer and blood diseases.

*By the initiative of the Foundation, **7** conferences aimed at developing the professional skills of medical staff were organized, which were attended by a total of about **100** medical workers.*

City of Smile Foundation

FULFILLED DREAMS

***24 children's
dreams came true***

In addition to organizing various events for children, every Wednesday the Foundation presents a dream of one of the beneficiaries on its Facebook and Instagram pages. In 2021, the Foundation's partners and friends fulfilled the dreams of 24 children.

Hundreds of gifts were given to all the children receiving treatment at the Hematology Center throughout the year.

** The realization of children's dreams and the provision of other gifts are realized thanks to the Foundation's partners and friends, and the Foundation does not spend money for their acquisition.*

City of Smile Foundation

70-75% of children with cancer in Armenia are *fully* recovered.

City of Smile Foundation

*Thank you for standing by the Foundation
and our kids fighting cancer.*

*All this work would have been impossible
without the support of good people.*

Only together we can save lives!
